Welcome to the Essential family! Established in 1993, Essential Housewares has become one of the UK's leading distributors of disposable household products.

Over the last 30 years, we have built a reputation for quality products and exceptional service, growing to proudly supply a broad range of customers – from some of the UK's most recognised wholesalers and high street retailers to customers across a variety of export markets.

We've seen significant changes in the market over this time, leading to the introduction of our Extra Value and Eco brands – designed to offer both budget-friendly alternatives and sustainable solutions. This continues to ensure our "Essential" brand and product offering meets the evolving needs of our customers, while also fulfilling the growing demand for sustainability and value.

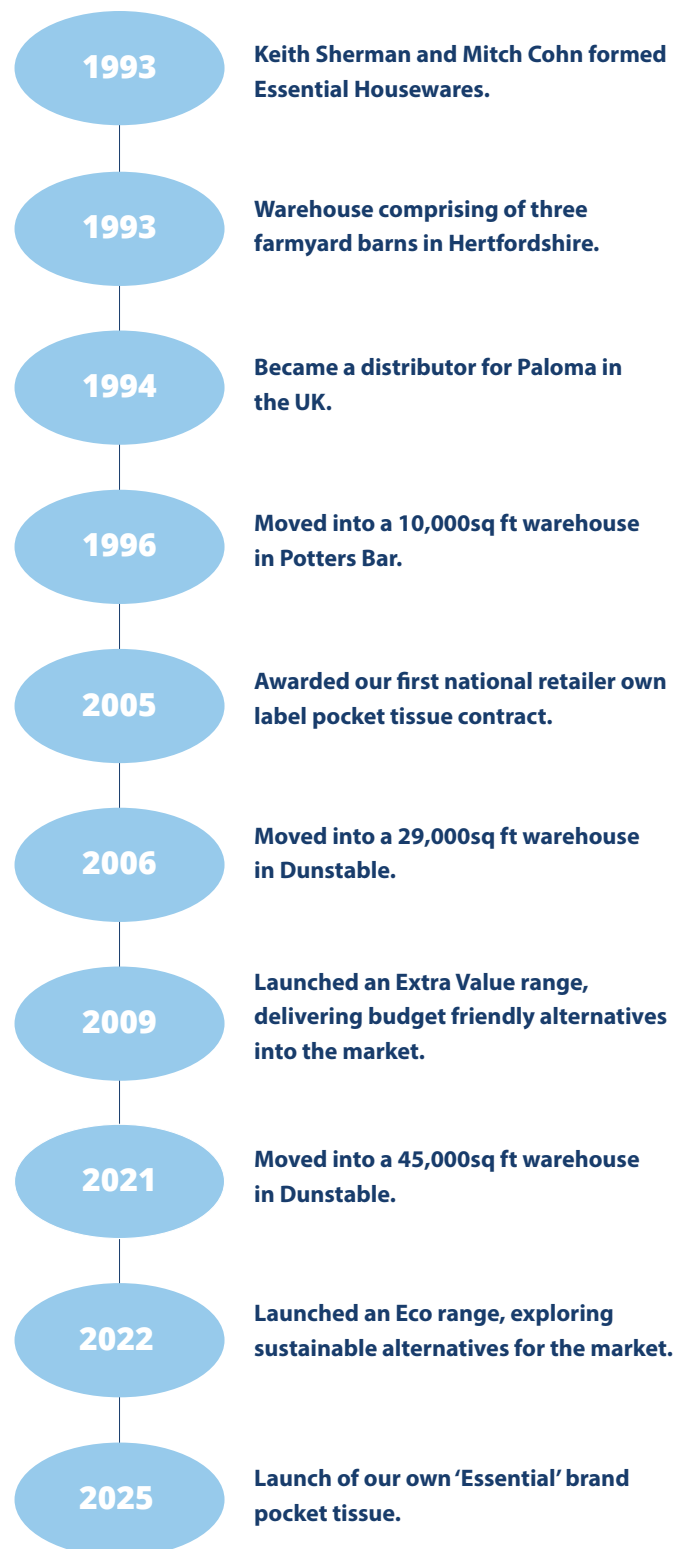

Our long-standing relationships with leading global manufacturers enable us to maintain product compliance and supply chain reliability across our entire range. This commitment allows us to deliver quality products and exceptional service to every customer, every time.

Hundreds of customers already place their trust in our 30 years of experience to deliver a reliable range of household disposable products. Join the Essential family today and see why we are the trusted partner for long-term success.

Warm regards,

The Essential Housewares Team

Essential Timeline

Our Brands

Supporting the wholesale and retail trade for over 30 years, our family of Essential brands provides everything you need to deliver a reliable and trusted range of household disposable products – including pocket tissues, tableware, kitchen essentials, and more.

Essential Range

Essential has been built over the last 30 years to provide a comprehensive range of quality household disposable products. Dedicated to offering exceptional service to customers across the retail and wholesale sectors.

ExtraValue

Essential Extra Value Range

In response to evolving market needs, we identified the demand for budget-friendly alternatives. Our Extra Value range is perfectly designed for those seeking cost effective solutions to support their range of household disposable lines.

eco

Essential Eco Range

Exploring new sustainable ways to deliver to the household disposables market, our Eco range offers key products through the use of new materials and specifications to align with modern sustainability goals.

Quality products, exceptional service.

Product Compliance

At Essential Housewares, our commitment to compliance is a key part of how we deliver quality and reliability across our entire range. We only work with trusted manufacturing partners who meet all relevant UK and EU standards, and who can provide the necessary certifications and documentation. This approach gives our customers confidence that every product is safe, responsibly sourced, and fully compliant with all applicable legislation.

Dermatologically Tested

Assesses for potential skin irritation and sensitisation (allergic reactions), ensuring a product is safe for regular contact with the skin.

Reusable

Made from durable, higher-grade plastics, our reusable products are designed for repeated use, many of which are also dishwasher safe in accordance with EU standards.

Turtle Logo

EU-mandated symbol indicates where single-use beverage cups are made of or contain plastic, helping consumers make an informed choice.

Dishwasher Safe

Certified to EU standard EN 12875-1, our dishwasher-safe products have been tested to ensure durability and safety in domestic grade dishwashers.

Microwave Safe

Safe for use with liquids and hot foods in the microwave. Designed to withstand typical microwave temperatures without compromising product integrity.

PFAS Free

Free from per- and polyfluoroalkyl substances (PFAS), which are known for their persistence in the environment and health risks.
